To Whom It May Concern

We switched our international mailing services to EZ Mailing Services several months ago and are not only satisfied, but also amazed at the prompt attention and personal service we get. Cam Sirman has led the way in providing this highly unusual and desirable service quality, and we are grateful.

We also appreciate efforts taken by Cam, Jay Marucci and everyone at EZ to keep prices competitive. When you combine the level of service with competitive prices, you have a recipe for customer satisfaction and retention. We are glad to taste over and over the good result of that recipe.

Thank you so much.

Sincerely,
